<b>Back Length (in)</b>	18	20.5	22.5	23	24

Variations can be +/- 3/4 inch

The sizing on the chart is the actual measurement of the garment itself.

When choosing your garment sizes, the best idea is to find a garment you currently have in a size that is comfortable. Then measure the garment across the chest then refer to our size chart - Just choose a size the same or very close to that measurement.
